Vesta Koleksiyonu — zarafetin ve doğanın gücünün uyumlu bir birleşimi. 15,6 × 1,06 m formatında, kağıt tabanda sıcak kabartma tekniğiyle üretilen duvar kâğıtları, mekânlara doğadan ilham alan zarif dokular kazandırır. Her bir tasarım, taşın, mineralin ve dağ dokularının ruhunu taşır — yumuşak pürüzlerden en ince detaylara kadar.
